Our guests say...

“We had our intimate wedding at Pauntley Court in mid-September 2020. Melissa and her team went above and beyond to ensure everything went smoothly under these (Covid 19) unusual circumstances.

The whole weekend could not have been more perfect. The house and gardens are the most incredible place to have an intimate wedding and reception. Our guests enjoyed it just as much as we did. We made full use of the guest rooms in the Main House, which are beautifully presented and very comfortable. We also had guests staying in the Dovecote and Elinor Fettiplace, which are separate to the Main House with their own kitchens and bathrooms.

The gardens are superb with an amazing stretch tent, which is perfect for sitting under no matter what the weather. Together with the surrounding countryside they make the perfect setting for a wedding and have resulted in some wonderful wedding photos! We are running out of superlatives to describe Pauntley Court. All that is left to say is that you would be hard pressed to find a better venue for a small, intimate wedding and reception.

We cannot wait to return.”
